**O'NEILL** 

# SS24 OPTICAL ACTIVE COLLECTION

## O'NEILL SUSTAINABLE EYEWEAR SS24 INSPIRED BY THE PROBLEM OUR OCEANS ARE FACING

Leading the way in an industry wide change to create sustainable eyewear, the new collection for O'Neill is thoughtfully aligned with O'Neill's Blue mission to protect our oceans.

This collection is handcrafted in plant-based acetate, a sustainable material that reduces the consumption of fossil fuels and features recyclable demo lenses and nose pads.

Inspired by a genuine love of the ocean, this innovative collection features fun, stylish shapes and a sun-drenched colour palette of ocean hues. Ultra high density acetate provides a slim profile and combines with elements from our natural playground including wood and cork temple detailing, as well as wood embedded signature logo in temple tip to deliver premium quality frames that will have you searching for endless summers and outdoor adventures.

This collection features –

- ♦ 2 x full frames
- ♦ 1 x male / 1 x female
- ♦ Acetate Renew
- ♦ Recyclable demo lenses
- ♦ Cork details
